

Information for continuing education (CE) credit

Catching Up to Coronavirus: Emerging COVID-19 Therapies

Activity date: March 12, 2021

Course director: Linda Thomas, PharmD, BCPS

Vizient is committed to complying with the criteria set forth by the accrediting agencies in order to provide this quality course. To receive credit for educational activities, you must successfully complete all course requirements.

Requirements

1. Attend the course in its entirety
2. After the course, you will receive an email with instructions and an access code that you will need to obtain your CE credit
3. **Complete the process no later than April 25, 2021**

Upon successful completion of the course requirements, you will be able to print your CE certificate and/or statement of credit for pharmacy education.

Important note for pharmacists

All credit awarded to pharmacists must be via CPE Monitor; paper certificates and e-certificates are not valid for licensure/certification submission. Pharmacists will be able to print individual statements of credit and their transcripts from their NABP e-profile created at www.mycpemonitor.net or www.nabp.net.

1. Please provide an accurate **NABP ID number** and **date of birth (mm/dd)** – do not include birth year
2. Vizient will upload your **NABP ID number** and **date of birth** into CPE Monitor within 24 hours after the completion of all steps required to receive credit.

If your **NABP ID number** and/or **date of birth** are returned as invalid after the upload, Vizient will make one attempt to contact you for corrections within a 45-day window. After the 45-day window expires, Vizient will not accept the information, and Vizient will not be able to process your CE credit.

Learning objectives

1. Review the pathophysiology and clinical manifestations of COVID-19
2. Evaluate current literature surrounding COVID-19 specific therapies in hospitalized patients
3. Identify appropriate patients for COVID-19 specific therapies
4. Develop and appropriate treatment plan based on a patient case

CONFLICT OF INTEREST/CONTENT VALIDATION POLICY:

As an accredited provider of continuing medical education/continuing education Vizient is dedicated to ensuring balance, independence, objectivity, and scientific rigor in all of its CME/CE activities. Vizient requires all potential faculty and program planners, in advance, to disclose financial relationships with relevant commercial interests. Vizient uses that information to determine whether prospective contributors have potential conflicts of interest. If significant relationships are disclosed, Vizient assesses how those potential conflicts of interest may affect CME/CE content. Vizient requires that all conflicts of interest be resolved prior to participation in the activity. Vizient is committed to resolving potential conflicts of interest, although if contributors have significant relationships that cannot be reconciled, Vizient reserves the right to prohibit participation. Faculty presenters are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

DISCLOSURE STATEMENTS:

Current accrediting agency guidelines and Vizient policy state that participants in educational activities should be made aware of any affiliation or financial interest that may affect the presentation and if there will be any discussion of unapproved or investigative use of commercial products/devices. Each planning committee member, reviewer and presenter has completed a Disclosure of Relevant Financial Relationships form.

Relevant financial relationships: Planning committee members and presenters have nothing to disclose
