Universal Activity Number: JA0006103-0000-22-040-L03-T

Reporting

Upon closing of the online evaluation, Vizient will report your CE credits directly to CPE monitor within 60 days.

Please note:

- After the course close date, Vizient will no longer be able to report credit(s) to CPE monitor.
- It is the responsibility of the pharmacist or pharmacy technician to ensure that your [Vizient CE Learner Profile](#) has the correct NABP e-profile ID and DOB (in MMDD format) to receive credit for participating in the activity.
- To track the status of the submission of your credits to NABP: please check the [Reported Credit Tab](#) in your Vizient CE account.
- To verify your credits were successfully submitted to NABP before the deadline: please check your [NABP e-Profile account](#).
- For all other questions regarding your NABP e-Profile or CPE Monitor, please [contact NABP directly](#).

Identification, Mitigation, and Disclosure of Relevant Financial Relationships

As an accredited provider of continuing education, Vizient, Inc. is dedicated to ensuring this activity presents learners with only accurate, balanced, scientifically justified recommendations, and is free from promotion, marketing, and commercial bias. In accordance with The Standards for Integrity and Independence in Accredited Continuing Education, all planners, faculty, and others in control of the educational content have disclosed the absence or existence of all financial relationships (of any dollar amount) with ineligible companies within the past 24 months.

Ineligible companies – those companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

It is Vizient's policy that owners and employees of ineligible companies, and any individuals who refuse to disclose the absence or existence of financial relationships with any ineligible companies are disqualified from participating as planners or faculty.

FDA Off-Label Use

Faculty presenters are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Disclosure Statements

Absence of Relevant Financial Relationships

None of the planners, faculty, or others in a position to control content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
