

Information for continuing education (CE) credit

Activity Title: Data-Driven Strategy for Sustainable Growth

Activity Date: August 25, 2022

Course Director: Marilyn Sherrill, RN, MBA

Vizient is committed to complying with the criteria set forth by the accrediting agencies in order to provide this quality course. To receive credit for educational activities, you must successfully complete all course requirements.

Requirements

1. Attend the course in its entirety.
2. After the course, you will receive an email with instructions that you will need to obtain your CE credit.
3. **Complete the process no later than October 9, 2022.**

Learning Objectives

- Discuss industry trends that are impacting the ability for strategic growth in a challenging health care environment.
- Explain the combined use of cost, quality, and market data for greater strategic insight.
- Identify examples where successful use of data has been utilized to address future bed needs, clinic capacity, service distribution, and equity decisions.
- Apply a data-driven approach to identify strategic growth.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Vizient, Inc. is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation Statements

American College of Healthcare Executives (ACHE)

By attending the Organization-wide Quality Structure Knowledge Transfer webinar offered by Vizient, Inc. participants may earn up to **1.00** ACHE Qualified Educational Hours toward initial certification or recertification of the Fellow of the American College of Healthcare executives (FACHE) designation.

Other Health Care Professionals

Vizient will award all other health care professionals who successfully complete the activity a Certificate of Participation indicating the maximum credits available.

Many state licensing boards and credentialing bodies accept certificates of participation from accredited CE activities to meet continuing education requirements for license renewals and re-certification. Please note it is the responsibility of the license holder to contact their state licensing board and/or certifying body for verification on credit eligibility.

Identification, Mitigation, and Disclosure of Relevant Financial Relationships

As an accredited provider of continuing education, Vizient, Inc. is dedicated to ensuring this activity presents learners with only accurate, balanced, scientifically justified recommendations, and is free from promotion, marketing, and commercial bias. In accordance with The Standards for Integrity and Independence in Accredited Continuing Education, all planners, faculty, and others in control of the educational content have disclosed the absence or existence of all financial relationships (of any dollar amount) with ineligible companies within the past 24 months.

Ineligible companies – those companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

It is Vizient's policy that owners and employees of ineligible companies, and any individuals who refuse to disclose the absence or existence of financial relationships with any ineligible companies are disqualified from participating as planners or faculty.

FDA Off-Label Use

Faculty presenters are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Disclosure Statements

Absence of Relevant Financial Relationships

None of the planners, faculty, or others in a position to control content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
