

## Instructions for obtaining continuing education (CE) credit

**Activity Title:** Four Strategies for Drug Diversion Detection and Prevention

**Activity Date:** 8/11/2022

**Course Director:** Sybil Thomas, PharmD, MBA

Vizient is committed to complying with the criteria set forth by the accrediting agencies in order to provide this quality course. To receive credit for educational activities, you must successfully complete all course requirements.

### Requirements

1. Attend the course in its entirety.
2. After the course, you will receive an email with instructions that you will need to obtain your CE credit.
3. **Complete the process no later than 9/25/2022.**

### Learning Objectives

#### Pharmacists

- Review controlled substance monitoring program at a community hospital and an academic medical center
- Describe a corporate compliance-based model for drug diversion detection
- Assess potential challenges for implementing extensive controlled substance monitoring program at an institution

#### Pharmacy Technicians

- Discuss implementation and utilization of third-party software for prevention of drug diversion

### Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Vizient, Inc. is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Universal Activity Number:** JA0006103-0000-22-052-L05-P

**Universal Activity Number:** JA0006103-0000-22-052-L05-T

### Reporting

Upon closing of the online evaluation, Vizient will report your CE credits directly to CPE monitor within 60 days.

#### **Please note:**

- After the course close date, Vizient will no longer be able to report credit(s) to CPE monitor.
- It is the responsibility of the pharmacist or pharmacy technician to ensure that your [Vizient CE Learner Profile](#) has the correct NABP e-profile ID and DOB (in MMDD format) to receive credit for participating in the activity.
- To track the status of the submission of your credits to NABP: please check the [Reported Credit Tab](#) in your Vizient CE account.
- To verify your credits were successfully submitted to NABP before the deadline: please check your [NABP e-Profile account](#).
- For all other questions regarding your NABP e-Profile or CPE Monitor, please [contact NABP](#) directly.

## Identification, Mitigation, and Disclosure of Relevant Financial Relationships

As an accredited provider of continuing education, Vizient, Inc. is dedicated to ensuring this activity presents learners with only accurate, balanced, scientifically justified recommendations, and is free from promotion, marketing, and commercial bias. In accordance with The Standards for Integrity and Independence in Accredited Continuing Education, all planners, faculty, and others in control of the educational content have disclosed the absence or existence of all financial relationships (of any dollar amount) with ineligible companies within the past 24 months.

**Ineligible companies** – those companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

It is Vizient's policy that owners and employees of ineligible companies, and any individuals who refuse to disclose the absence or existence of financial relationships with any ineligible companies are disqualified from participating as planners or faculty.

### **FDA Off-Label Use**

Faculty presenters are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

## Disclosure Statements

### Absence of Relevant Financial Relationships

None of the planners, faculty, or others in a position to control content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
