Learning Objectives

- Integrate goals and priorities to organization-wide efforts; monitor progress and integrate quality improvement initiatives across the care continuum. Composition is extended to system quality leader and stakeholders across the care continuum
- Apply organization-wide goals and integrate quality improvement tactics into daily activities
- Use data reporting tool (i.e., dashboard/scorecard) to review quality/safety performance with system and local front-line staff on a regular basis.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Vizient, Inc. is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation Statements

Nurses

Vizient, Inc. designates this nursing activity for **2.00** contact hour(s).

American College of Healthcare Executives (ACHE)

By attending the Organization-wide Quality Structure Knowledge Transfer webinar offered by Vizient, Inc. participants may earn up to **2.00** ACHE Qualified Educational Hours toward initial certification or recertification of the Fellow of the American College of Healthcare executives (FACHE) designation.

Participants in this program who wish to have it considered for ACHE Qualified Education hours should list their attendance when they apply to the American College of Healthcare Executives for advancement or recertification. Participants are responsible for maintaining a record of their ACHE Qualified Education hours. To self-report, participants should log into their MyACHE account and select ACHE Qualified Education Credit.

Other Health Care Professionals

Vizient, Inc. will award a maximum of **2.00** contact hours to all other healthcare professionals who successfully complete the activity. These individuals will receive a Certificate of Participation indicating the maximum credits available.

Many state licensing boards and credentialing bodies accept certificates of participation from accredited CE activities to meet CE requirements for license renewals and re-certification. It is the responsibility of the participant to contact their state licensing board and/or certifying body for verification on credit eligibility reciprocity.

Identification, Mitigation, and Disclosure of Relevant Financial Relationships

As an accredited provider of continuing education, Vizient, Inc. is dedicated to ensuring this activity presents learners with only accurate, balanced, scientifically justified recommendations, and is free from promotion, marketing, and commercial bias. In accordance with The Standards for Integrity and Independence in Accredited Continuing Education, all planners, faculty, and others in control of the educational content have disclosed the absence or existence of all financial relationships (of any dollar amount) with ineligible companies within the past 24 months.

Ineligible companies – those companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

It is Vizient's policy that owners and employees of ineligible companies, and any individuals who refuse to disclose the absence or existence of financial relationships with any ineligible companies are disqualified from participating as planners or faculty.

FDA Off-Label Use

Faculty presenters are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Disclosure Statements

Absence of Relevant Financial Relationships

None of the planners, faculty, or others in a position to control content for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
